Dear Sirs:

Re: Request for refund of publication fee

With reference to the subject application, which was filed on March 3rd, 2004, we received Official Notice of Allowance dated January 27th, 2005. And we have paid USPTO Issue Fee and Publication Fee on April 13th. You could check the Attorney Docket No. BHT3267-2 and the assigned Deposit Account No. 501874 for confirmation of that.

Since this application is allowed for issue much earlier than the projected 18-month publication, we hereby, with the legal right, request for refund of publication fee US\$ 300.

Please reply us by fax (fax number +886-2-2754-0586) for acknowledgement of our request. And we ask you with thanks to address the refund check as follows:
